

BioCorr® ATF Rust Preventative

PRODUCT DESCRIPTION

BioCor®r ATF Rust Preventative is an oil-in-water emulsion rust preventative that is intended for preservation of transmissions in storage and during transportation. BioCorr® ATF Rust Preventative provides multi-metal protection and is an excellent environmentally sound alternative to petroleum derived products. This ready-to-use formulation can provide protection for up to two years of indoor storage; or during shipments when combined with VpCI® packaging materials. Unlike rust preventative oils this product leaves a dry film on the surface of the metal that is virtually undetectable. This feature helps to create a clean workplace and prevents material waste. BioCorr® ATF Rust Preventative is VOC free and the formulation is biodegradable; eliminating expensive disposal costs associated with oils.

FEATURES

- Provides excellent multimetal corrosion protection
- Combines film-forming additives with Vapor phase Corrosion Inhibitors (VpCIs)
- Displaces water and oil from metal surfaces
- Forms an invisible dry to touch film
- Environmentally friendly and biodegradable
- Replaces hazardous mineral oils and flammable solvents
- VOC free
- Contains no chlorinated compounds, chromates, or nitrites
- Ready-to-use product
- Formulated with renewable raw materials, and doesn't contain mineral oil.

APPLICATION

BioCorr ATF is a ready-to-use product and can be applied by dipping or spraying.

TYPICAL APPLICATIONS

- Biodegradable preservative for transmissions and their components
- Temporary coating for storage and shipment
- Protection of pipes, flanges, gears
- Cast iron, sheets, and coils

TYPICAL PROPERTIES

BioCorr® ATF

Appearance	Milky white liquid
pH	8.4-9.1 (neat)
Density	8.3-8.4 lb/gal (1.00-1.01 kg/l)

STANDARD TEST METHODS AND RESULTS

ASTM D-1748	Carbon Steel
Humidity Cabinet	300-400 Hours

STORAGE AND PACKAGING

BioCorr ATF Rust Preventative is packaged in 5 gallon (19 liter) pails, 55 gallon (208 liter) drums, liquid totes, and bulk. The product should be stored sealed in a warehouse to avoid freezing. Agitate before each use. The shelf life of BioCorr ATF Rust Preventative is up to 24 months.
